

PEDIATRIC PSYCHOLOGY ASSOCIATES

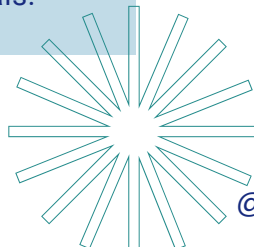

- **Our mission** is to provide comprehensive evidence-based psychological services to children, adolescents, adults and their families.
- **Pediatric Psychology Associates** expert clinical team works collaboratively using innovative approaches that combine science, wisdom and compassion to maximize psychological growth in each individual.
- **All members of our professional team** have been chosen for their caring attitudes and professional credentials.

PEDIATRIC PSYCHOLOGY
ASSOCIATES

If you or your family member is experiencing difficulties, it may be time to do something about it. The earlier the challenges are recognized and professional help is sought, the greater the chances that you and your family will be helped to overcome these difficulties.

If you are interested in learning more about our services or would like to schedule an appointment, please contact us.
