

We are pleased to introduce **PPA's PEERS Groups**

PEERS (Program for the Education and Enrichment of Social Skills) is a parent-assisted 14-session evidence-based social skills intervention for motivated teens who are interested in learning ways to make and keep friends. The group focuses on skills such as initiating and maintaining conversations, handling disagreements, and addressing bullying/rejection. Other targeted areas include having successful get-togethers with friends while being a good host and a good sport. During each group session, teens are taught important social and relationship-management skills, and are given the opportunity to practice these skills during socialization activities.

- Who:** Ages 14-17 (may be one year younger or older depending on individual)
- Where:** Pediatric Psychology Associates-Aventura, Weston and Coral Gables locations
- When:** Groups will run from October 23, 2017 - February 13, 2018 (14 sessions). Mondays @ 7 pm in Weston; Tuesdays @ 7 pm in Aventura; Tuesdays @ 7 pm in Coral Gables
- Fee:** \$980 - This includes both Adolescent and Parent groups, which run simultaneously.

No charge for a 30-minute consultation. Please note that consultations are ongoing and will run until the start of the first group. Payment of \$490 is due at 1st session and remainder \$490 due at 8th session.

If you are interested in our PEERS groups, please call to schedule a consultation. Please note that a minimum of six matched members are needed to start a group series.

Helping families and children to a better future

Our Mission at Pediatric Psychology Associates is to provide comprehensive evidenced-based psychological services to children, adolescents, adults, and their families in the South Florida community. Each psychologist on our expert clinical team works collaboratively utilizing an innovative approach that combines science, wisdom and compassion to maximize psychological growth in each individual.
